## MiClub Access

Members can access results and much more via the Member Portal, click on the MiClub Icon

on the website front page.  This will open as seen below.

Your username is the last 4 numbers you register for competitions with on the Club computers, say 1056, however if you have 0156 you would only need 156 and 0056 just 56. Your password is the day and month of your birthday. So if your birthday is the 21<sup>st</sup> of June, your password would be 2106.

### My Results

Once you login, you can access My Results. These are for competitions you entered. If you click on a competition, it will open a window where you can access the Full Field Report (shows everyone's score) and for Saturday events, the Presentation Prize Report which shows who won the prizes.

### Club News

[Click here for Eclectic Results](#)

[Click here for Captain's Cup](#)

[Click here for Competition Leaderboards](#)

The Club News section allows you to access much more.

You can see all competitions here as well as the eclectics which are set up through MiClub.

When you use this section, many of the leaderboards are live. That means you can click on a player's name and see their hole-by-hole score. This is a relatively new feature in MiClub.
