Next week's event - is a Single Stableford

It is with a touch of sadness – that I have to announce the retirement of an icon and a life member of the Vets, Phil Salisbury. Phil joined the Vets on 25th February 1987, less than 5 months after the Vets were formed in August 1986. He served for many years, on the committee, as Captain, and as our area delegate.

For me Phil represented what the Vets is all about, a place to come and socialise have fun with your mates yet still retain a competitive spirit in your later years. Post golf conversations with Phil were always entertaining and you always left feeling that you knew a little more about the real world than before.

So thank you Phil for all the joy you have given the Vets and we wish you and Audrey all the best in the future, our door is always open to you both.

A get well soon – to John Youngman, who is recovering from quadruple bypass surgery.

John was at the country music festival in Tamworth when he felt unwell and so came back home for a check-up and the rest is history.

Which only goes to prove that while country music is undoubtedly good for the soul it is not necessarily good for the heart, get well soon John.

Friday fusion – good fun social evening are there to be had by all, Members draw is up to \$300 this week, Fridays menu special is Lasagne, there are discount drinks between 5 and 6 o'clock and a raffle.

Birthdays – no birthdays for Vets this week

Th-th-thats all Folks - see you all on Wednesday.
